

# ULTRA HIGH-PRESSURE WATER JET

## PRODUCT DATA SHEET

PIPELINE AND PILING SERVICES

WWW.PAPSTHAILAND.COM

### ULTRA HIGH-PRESSURE SPECIFICATION:

**Brand:** Den-Sin

**Model:** C-2070/26D and C-2500/25D

**Pressure:** up to 2,500 bar/36,000 psi

**Flow Rate:** 26.0 L/min or 6.8 US gpm

**Engine:** Deutz 6 Cyl. Turbo Charged Air/Water Cooled

**Pump Speed:** 510 Rpm

**Fuel Tank:** Diesel 140 L

**Net weight:** 1,800 Kg

**Dimension:** 2,600 mm x 1,450 mm x 1,800 mm

**Equipment type:** Rigsafe with CHALWYN valve

### APPLICATIONS:

- Blasting & cleaning
- Internal & External tube cleaning
- Concrete roughening / removal
- De-scaling / rust removal
- Composite / Paint removal
- Pipe cleaning / Surface preparation
- Underwater blasting / Marine growth removal

### FEATURES:

This DEN-SIN cold water High Pressure Water Blaster offers high performance and a design optimized for heavy-duty use. The design of the surrounding frame safeguard the vital parts during transport and use, and the high performance provides the opportunity to solve an array of blasting tasks.

The Water-blaster is designed for industrial and for offshore use. All pump parts fittings and pipes in contact with water are made of non-corrosive materials. Together with the carbide coated plungers, long life seals and stainless-steel valves, it ensures long life and high durability.

- The shoulder stock and hand grips are both adjustable and the trigger has a safety lock to prevent accidental discharge
- Front barrels are 48" long with standard 9/16" HP barrel size
- Lightweight and easy to overhaul in the field with compatible cartridges
- The shoulder stock and hand grips are both adjustable and the trigger has a safety lock to prevent accidental discharge

### ACCESSORIES:

- Specialized nozzles / Rotating nozzles
- Zero Thrust diver held jetting gun
- ROV mountable jetting gun.
- Standard 10m - 160m jetting hose
- Extension hoses in various lengths
